Wheeling Park's Popularity.

The fame of Wheeling Park is not local. Its attractiveness is known far and wide, and so it comes about that the Glassboro excursion, Ohio, will run an immense excursion next Sunday week, the objective point being the popular resort that is the pride of Wheeling. The excursion will be accompanied by Bauer's celebrated band. Mayor Gibson, of Zanesville, is booked to be with the boys, and will make an address at the park. On Sunday last the following committee from Zanesville was in the city making arrangements for the invasion: John A. Voll, J. H. McGrath, T. Giblin, H. Vogelheimer and Thomas Robinson.

STREET CAR ACCIDENT.

A Bellaire man was seriously injured by a street car in Mountsville last night. William Abby, formerly of Bellaire, but now employed in the Postoria glass works, was run over by a street car, and one of his feet was so badly mangled that amputation is necessary. It is also thought that he was hurt internally.

THREE WHEELING MEN

Now hold Commissions in the Immune Regiment

BEING ORGANIZED IN VIRGINIA

DR. CLYDE FORD YESTERDAY COMMISSIONED AS FIRST LIEUTENANT IN CAPTAIN FRANZHEIM'S COMPANY—FRED HUSEMAN TO BE A LIEUTENANT IN THE IMMUNE—THE WORK OF ORGANIZING THE MCCOOK EASTERN OHIO REGIMENT PROGRESSING—BRIDGEPORT COMPANY NUMBERS 75.

Wheeling is to have at least three commissioned officers in the regiment of immunes now being organized in the two Virginia. Ex-Sheriff Albert A. Franzheim was given a captaincy last week, and yesterday the war department decided upon Dr. Clyde Ford, of this city, as the first lieutenant in Captain Franzheim's company. It is also given out that Fred Huseman, who was at the head of the Wheeling Volunteers movement, will be appointed a first lieutenant in the immunes within a day or two.

MCCOOK'S REGIMENT.

The work of raising companies for George W. McCook's eastern Ohio regiment is being pushed rapidly to a consummation in the various parts of the Sixteenth district. Several companies outside the district want to join the regiment. Four companies are being raised in Steubenville by City Solicitor H. B. Thompson, Marshal J. L. Selah, ex-Probate Judge W. V. B. Crook and Michael McSwiggan. The latter is a flint glass worker and has managed the Acme foot ball players since their organization. Benj. Fisher is raising a cavalry troop and ex-Constable S. B. Clement is raising a company of colored men, both at Steubenville.

At Woodsfield and Carrollton the work of raising companies has been started. Hon. S. B. Taylor will organize a company at Toronto.

At Bridgeport, Bellaire and Martin's Ferry it is assured companies will be raised. The company at Bridgeport is practically complete now, last night's enlistments bringing the strength up to seventy-five men, within five of the required number. Bellaire's and Martin's Ferry's companies will be fully recruited to-morrow of next day.

While unfurling a flag at Steubenville Saturday evening, George W. McCook, who will command the regiment, made the following statement, which was cheered to the echo:

"If the regiment being organized in this district is ordered to camp and I have the honor of leading it, I will devote my life to its best interests from the time we start till I bring them home. Perish any man who falters to follow where the flag leads."

LOCAL BREVITIES.

Matters of Minor Moment in and About the City.

The following council committees meet in joint session at 7:30 o'clock this evening: Railroads, ordinances and streets, alleys and grades.

This evening at the Second Presbyterian church, the Wm. H. Cooke circle, King's Daughters, give a patriotic social, a feature of which will be Manilla ice cream. As the admission is free there should be a large attendance.

At the Chapline street M. E. church this evening a literary and musical entertainment will be given, under the auspices of the Epworth League. A good programme has been prepared, and an enjoyable time is assured. A silver offering will be taken.

The Ritchie school children gave a very successful entertainment at Mozart hall last night, for the benefit of the "American Boy" battleship fund. The hall was packed with people, and the interesting programme was rendered by the best talent of the Ritchie school. About \$30 was cleared, which ensures a respectable contribution for the "American Boy."

THE HUB—CLOTHIERS AND FURNISHERS.

ONE OF THE Wonders.....

The Hub made suits are ready-to-wear wonders. They have developed possibility to the highest degree of perfection. While others have skimped and squeezed worth for the sake of lowering the price, we've piled up goodness as thick as we could get it for the sake of your greater satisfaction as between worth and cheapness. Worth always wins—men are not blind—they look behind the glib announcements—they measure the extravagant claims with common sense, our greater selling speaks the disapproval of cheapness—and the recognition of our honest qualities at the lowest prices.

\$10.00 Suits—Compare With Others \$12.50.

Our Russian Blue Serge alone is enough to make this grade a famous one, but besides this famous serge we show Fancy Plaid and Checks and neat effects in light, dark and medium shades, also elegant, Black, Blue and Mixed Clays in both sacks and cutaways.

\$12.00 Suits—Compare With Others \$15.00.

And let it be a careful comparison. We have more suits at \$12.00 than a third of the others have at all prices, and they are made up especially for us by the best of tailors. Many of them are extra values for us even.

\$15.00 Suits—Compare With Others \$20.00.

There is more fineness here in this grade than you think. \$15.00 is a good price, and it pays for lots of elegance and it gets it. Do you know that such suits made to order would cost \$30.00?

Other grades in All Wool Suits \$5.00 and \$7.50. Proofs in every grade from first to last.
